Non-Compliant Amendment

The amendment filed 09/17/2008 is non-compliant because of the following omission(s) or matter(s):

Claim 1 is currently amended but the added subject matter in section 1(a) has not been indicated by the appropriate underling. It appears that Applicant has moved the canceled subject matter of claim 2 into claim 1, however this is still added subject matter to claim 1 and must be indicated as such.

MPEP 714 states in part "...[a]ll claims being currently amended must be presented with markings to indicate the changes that have been made relative to the immediate prior version. The changes in any amended claim must be shown by strike-through (for deleted matter) or underlining (for added matter) with 2 exceptions: (1) for deletion of five or fewer consecutive characters, double brackets may be used (e.g., [[error]]); (2) if strike-through cannot be easily perceived (e.g., deletion of number "4" or certain punctuation marks), double brackets must be used (e.g., [[4]])..."

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
